HISTORY

In September of 1967, the dreams of excellence in education became a reality through the efforts of diligent parents as Delta Christian School opened its doors to grades one through seven. Three years later, with the addition of another building, Tallulah Academy/Delta Christian School transformed into a fully accredited educational institution made up of grades one through twelve. As over four hundred students entered its halls, the building truly became a school filled with immense pride and spirit.

Today, a comprehensive, standards-based educational program prepares pre-K three through twelfth grade with a strong college preparatory base. Tallulah Academy meets the expanding challenges of technology while staying true to the fundamental principles upon which the school was founded.

PROCEDURES

Complaints of violation may be made to the headmaster, guidance counselor, or other person chosen by the headmaster, without fear of reprisal. All complaints will be investigated promptly and thoroughly. Should complaints prove to be legitimate, the offending party shall be subject to disciplinary action, including, but not limited to, involuntary termination of employment or suspension from school. This policy in no way precludes any student or employee from pursuing any relief provided under state or federal law. If allegations are insufficient and no evidence is found, there will be no retaliation against the accuser. All complaints will be kept strictly confidential.

BULLYING AND OTHER FORMS OF HARASSMENT

Bullying is inappropriate behavior that has destructive and negative effects on individual students and the overall climate of a school. Tallulah Academy believes all students are entitled to a safe, secure learning environment. Bullying will never be tolerated. It is important that administrators, teachers, students, and parents take a stand against all bullying behaviors.

Tallulah Academy staff is committed to a policy that identifies and punishes those students who become involved in bullying behaviors according to the below listed procedures/regulations. TA expects all students to refrain from becoming involved in any bullying behavior. Failure to comply with these expectations will result in disciplinary action. Also, all bystanders/third party witnesses will refrain from supporting bullying behaviors either active or passive. Bystanders are expected to report the bullying incident(s) to the proper authority.

Bullying behaviors normally fall into these categories, physical, emotional, and verbal, and may include, but are not limited to, intimidation, assault, extortion, oral or written threats, teasing, putdowns, name-calling threatening looks, gestures, or actions, rumors, false accusations hazing, social isolation, and cyber bullying. (Cyber bullying is an aggressive, intentional act conducted by a group or individual, using electronic forms of contact, repeatedly over time against a victim who cannot easily defend themselves.)

School personnel receive in-service training on anti-bullying to ensure a consistent approach school-wide. The Board requires all staff members who observe, suspect, or become aware of an act of bullying immediately notify the headmaster. The Board encourages anyone who becomes aware of an act of bullying to immediately report the incident(s) to a school official. Any student who retaliates against another for reporting bullying is subject to consequences.

All students have the right to file a complaint if they believe they are the victim of bullying behavior or witnessed bullying behavior. The headmaster investigates each complaint, decides if the complaint is legitimate, and takes appropriate corrective action.

If a student is found guilty of bullying the consequences shall depend on both the results of the investigation and the severity of the incident. Consequences may include but are not limited to mediation, a parent conference, counseling, suspension, expulsion, or referral to local law enforcement agency.

Reasonable suspicion will require a student to be included in the drug/alcohol testing on any given test date.

Refusal to participate will be interpreted as a positive result.

There will be total confidentiality on all testing.

Drug and alcohol screening results are reported to the headmaster.

FIRST POSITIVE TEST RESULT

All specimens showing a positive result will immediately and automatically be re-tested by the lab. If the positive test is verified and confirmed, the following steps will be taken:

The parents and the student(s) who tested positive will be contacted in a confidential manner by the headmaster.

The student and their family must meet with a counselor approved by Tallulah Academy.

The student will receive a 3-day suspension.

The counselor will decide the length and manner of the program best suited for the student. The student must also take part in any after care recommendations or follow up. If a parent refuses a complete counseling program for the child, the student will be dismissed from school.

After the first positive test the student will be tested during every drug test until the student graduates or withdrawals from Tallulah Academy.

SECOND POSITIVE TEST RESULT

Should the student test positive (after confirmation) a second time, that student is subject to immediate expulsion by action of the Headmaster/Board, with notice to the parents/guardians.

Any student, expelled under the guidelines of this policy may petition the Board for reinstatement upon written proof of negative test results.

Safety Policies and Procedures

Closed Campus Policy

For purposes of this handbook, the term "at school" means school buildings, property, sidewalks, streets, and areas next to Tallulah Academy including the area at Parkview Baptist Church.

STUDENTS

Tallulah Academy enforces a closed campus policy meaning once students enter the campus, including the parking lot, they are the responsibility of the school and will not be allowed to leave campus unless the student's parent has followed the proper check out procedure.

Students must abide by the following rules:

CAMPUS ENTRY AND EXIT

Elementary students are discharged and picked up at designated areas. Students in grades K3-6 are dropped off at the second covered walkway. The school is not responsible for students dropped off at any undesignated area. Elementary students are to immediately go to their respective rooms.

Students in PK3-K5 are to be picked up at the first covered walkway.

Students in grades 7-12 will enter and exit the Parkview grounds from Street. Students with vehicles will park at Parkview.

USE OF VEHICLES

Students must have a valid driver's license to use a vehicle on campus. A copy of their license must be on file in the office. High school students who bring personal vehicles to school are to park in a designated area assigned at the beginning of school. Upon arriving at school, students are to remove all materials or clothing needed during the day. Students are not allowed to go to their cars for any reason during the school day. No loud music is allowed on school grounds.

VISITORS TO THE CAMPUS

All visitors to the campus must come to the office and sign in. The doors will be kept locked from the outside. Upon reporting to the office, the visitor will wait until they are escorted to the proper location to transact business. Parents and all other visitors will not be allowed to go down the school halls or into the classrooms. Students will be called to the office to meet the visitor. Visitors should allow up to fifteen minutes for the student to reach the office.

PARENTS

Parental cooperation is extremely important in the following situations:

- To promote responsibility and resilience, students must arrive by 7:50 a.m. prepared for the day. No deliveries of homework, books, lunch, items needed for practice, etc. will be accepted in the office or in the classroom. If a child forgets something, we will help them manage the situation and learn from it. Students who forget lunch will be ordered a lunch from the cafeteria. Exceptions will be for emergencies, sickness, or medication.
- Parents are strongly discouraged from having flowers or gifts delivered to the school. Items delivered to school will be held in the office until the end of school day when the student will take it home.
- If a parent must contact a student during the day, the parent must call the student on the school phone. (318-574-2606). In an emergency, parents need to contact students through the office.
- **No invitations** may be distributed during school hours to a private activity unless all students in that class are included. This policy does not include the summer vacation months.

Emergency Procedures:

EMERGENCY DISMISSAL

In the case of an emergency dismissal (such as a power outage or hazardous weather conditions), students will remain at school until their parents sign them out.

Social media platforms exist to encourage safe, positive, and engaging social contacts with people locally and worldly. Any messages or posting that runs contrary to this purpose (whether intentionally or not) will be subject to disciplinary scrutiny, even if such a case has not been specifically outlined in our school handbook.

Tallulah Academy wants to be fair to students, school employees, and parents, but we cannot turn our heads when individuals flagrantly post embarrassing and detrimental statements on the Internet.

Employees, students, and parents must understand that material posted on social media may be viewed by virtually anyone, including people with harmful intentions.

Posts, pictures, or comments that cast Tallulah Academy, its teachers, staff, or students in a negative, scandalous way will not be tolerated and will be cause for disciplinary action including removal from school.

We expect our fans and students to behave in a manner consistent with the rules of the Mississippi Association of Independent Schools, always showing proper conduct and sportsmanship. Yells or cheers should be FOR OUR TEAM, not against the officials or the opposing team.

Spectators do not address an official individually or by name, nor should they call out individual players or the coach. At no time should a spectator or parents enter the locker rooms or approach the bench unless expressly invited by the coach. Confronting coaches and/or officials during or after the game will result in the spectator(s) being asked to leave the field/gym. Any breach of proper conduct may result in the spectator(s) being fined and/or banned from TA sporting events for up to a year. COMPLAINTS AND APPEALS PROCESS

It is the school's intent that all disagreements be resolved at the **source** (teacher, coach, sponsor, etc.) and that it be the **CHILD** who initially makes the contact and speaks for himself. If this is not possible, then resolution should take place by following the chain of command. Throughout the appeal or complaint process, all parties should show mutual respect to all involved. The focus of discussions will be on problem resolution that is mutually acceptable rather than an adversarial win-lost conclusion. No reprisals or retaliation of any kind will be taken against a student or parent for using this procedure.

The following outlines the procedure for handling issues that arise:

- The **STUDENT** should contact the teacher/ coach and ask to discuss the issue at a proper time.
- If it is not felt that the issue was resolved, the parent and student should meet with the teacher/ coach.
- If the issue is not resolved, the headmaster may be contacted.

- If after this, the issue is still not resolved, the Board may be consulted. Please remember that the Board's role in the school is financial and mission planning and hiring/supervision of the headmaster. Board members should not be involved in day to day running of the school.
